THE ANTLER

Words from our ER

Members all,

May flew by quickly, and while the weather has made it difficult to accomplish much at the lake property, we're still making steady progress. A new culvert has been installed—thank you to everyone who has been lending a hand at both the lake and the lodge.

Our thoughts and prayers are with those affected by the May 16th tornado, including our members. If you are in need of assistance, please don't hesitate to contact the lodge.

I'd also like to thank all of you who have been using the lake property and helping keep the gate properly closed and locked—we've seen great improvement in this area.

Our last Queen of Hearts board made it to 54 cards, which was a great boost for the club. We took a two-week break to give our hardworking volunteers a well-deserved rest. Thank you for your patience—the Queen of Hearts will resume on **June 3rd**.

Once again, thank you to all the members who continue to support our lodge and everything we do. Your involvement makes a difference.

Fraternally,

Kevin Williams
 Exalted Ruler
