THE ANTLER

Words from our ER

Members all,

April flew by, and May is already here! Be sure to check the calendar on the **MyElks app** and our **Facebook page** to stay up to date on upcoming events and activities at the club. We truly appreciate everyone's continued support.

A big thank you goes out to all the kitchen staff and volunteers who have been helping at the lake property. The cleanup on Saturday, April 26th, was a great success. However, we still need more hands in the kitchen—please consider volunteering and giving it a try.

Despite the recent rain, we're making steady progress at the lake property. On an important note, we've had issues with members leaving the gate unlocked when entering or exiting. This is a serious matter and will not be tolerated. Locking the gate is one of the very first rules when a key is issued. Whether it's a misunderstanding or neglect, this **MUST** stop. Recently, someone was unable to exit and chose to destroy the gate lock with a hammer. That individual is now responsible for either reimbursing the lodge \$165 for the replacement or facing disciplinary action before the board.

Special thanks to Bob Rongey, Randy Brown, Shane Orange, Billy Robinson, and Jake Williams for their hard work on the lake property bathrooms.

Thank you all again for your ongoing support!

Fraternally,

Kevin Williams
Exalted Ruler
